Mentor MP - High performance DC drive solution platform 25 A – 7,400 A (5 hp – 6,500 hp) 460 V | 575 V | 690 V Mentor MP brings DC drive technology up to date, enabling existing and new DC motors to provide economic and productive service. DC drive technology remains cost effective, efficient and is relatively simple to implement. For new applications, DC provides many advantages, especially for regenerative and high-power applications.
